## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

#### **OVERVIEW**

The financial statements have been prepared in compliance with the requirements of the Companies Act, 1956, guidelines issued by the Securities and Exchange Board of India (SEBI) and the Generally Accepted Accounting Principles (GAAP) in India. Our Management accepts responsibility for the integrity and objectivity of these financial statements, as well as for the various estimates and judgments used therein. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present our state of affairs, profits and cash flows for the year.

#### INDUSTRY STRUCTURE AND DEVELOPMENTS

Non Banking Financial Companies (NBFCs) have become an integral part India's financial system. In recent times, NBFC's have emerged as lenders to both companies and individuals. When it comes to lending, NBFCs are generally regarded to be complementary to banks and are often able to offer better services and products to their customers.

Inspite of strong competition faced by the NBFCs, the inner strength of NBFCs viz local knowledge, credit appraisal skill, well trained collection machinery, close monitoring of borrowers and personalized attention to each client, are catering to the needs of small and medium enterprises in the rural and semi urban areas. NBFC's are playing significant role in financing the road transport and infrastructure and have reached the gross root level through Micro finance.

# OPPORTUNITIES & THREATS, RISKS & CONCERNS, PERFORMANCE AND OUTLOOK

### **RISKS AND CONCERNS**

In today's complex business environment, almost every business decisions require executives and managers to balance risks and rewards. Effective risk management is therefore critical to any organizational success. Globalization, with increasing integration of market, newer and more complex products and transactions and an increasing stringent regulatory framework has exposed organization to a newer risk. As a result, today's operating environment demands a rigorous and integrated approach to risk management. Timely and effective risk management is of prime importance to our continued success.

Increased competition and market volatility has enhanced the importance of risk management in share trading business. The sustainability of the business is derived from the following:

- 1. Identification of the diverse risk faced by the company.
- The evaluation of appropriate systems and processes to measure and monitor them.
- Risk management through appropriate mitigation strategies within the policy framework.
- Monitoring the progress of the implementation of such strategies and subjecting to periodical and audit review.
- Reporting risk mitigations result to the appropriate managerial level

There is a risk of laws from inadequate or failed systems, processes or procedures. These may be attributed to human failure or technical problems given the increased use of technology and staff turnover.

  - (b) The Company has a program of physical verification of its fixed assets which in our opinion is reasonable, having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such physical verification.
  - (c) As per the information and explanation given to us during the year, the Company has not disposed off substantial part of the fixed assets that would affect the going concern.
- (ii) The Company is a service company, primarily engaged in lending and investing activities. Accordingly it does not hold any physical inventories. The paragraph 4(ii) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us the Company has neither granted nor taken any loan secured/unsecured to/from Companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956. Accordingly provision of clause (iii)(a) to (iii)(g) of paragraph 4 of the Order are not applicable to the Company.
- (iv) In our opinion and according to information and explanations given to us there is an adequate internal control system commensurate with the size of the Company and nature of its business with regard to the purchase of fixed assets and also for the sale of the goods and services. Further on the basis of our examination of the books of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across nor have we been informed of any instance of major weaknesses in the aforesaid internal control system.
- (v) (a) In our opinion and according to the information and explanations given to us the transactions made in pursuance contracts or arrangements that needed to be entered in the register maintained under section 301 of the Companies Act, 1956 have been so entered.
  - (b) In our opinion, and according to information and explanations given to us, the transactions made in pursuance of contracts or arrangements have been made at prices which are reasonable having regard to the prevailing market prices at the relevant times.
- (vi) The Company has not accepted any deposits from the public hence directive issued by the Reserve Bank of India and the provisions of Section 58A and 58AA or any other relevant provisions of the Companies Act 1956 and the Companies (Acceptance of Deposits) Rules, 1975. Therefore, the provisions of clause 4(vi) of CARO are not applicable to the Company.
- (vii) In our opinion, the Company has an internal audit system commensurate with the size & nature of its business.
- (viii) According to the information and explanations given to us. The Central Government has not prescribed the maintenance of cost records under section 209(1) (d) of the Companies Act, 1956 in respect of activities carried on by the Company. Hence the provision of clause 4(viii) of the Order is not applicable to the Company.
- (ix) (a) According to the records of the company, undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees State Insurance, Income Tax, Sales Tax, Wealth Tax, Service Tax, Excise Duty, Custom Duty, Cess and other statutory dues have been generally regularly deposited with the appropriate authorities during the year and there are no undisputed

- statutory dues outstanding as at March 31, 2012 for a period exceeding six months from the date they become payable.
- (b) According to the information and the explanations given to us and as per the books and records examined by us, there are no dues of Income Tax, Sales Tax, Custom Duty, Wealth Tax, Service Tax, Excise Duty and Cess which have not been deposited on account of any dispute.
- (x) The Company neither has accumulated losses nor has it incurred any cash losses during the current financial year and in the immediately preceding financial year.
- (xi) According to the information and explanations given to us we are of the opinion that the Company has not defaulted in repayment of dues to any bank. The Company has not borrowed any amount from any financial institution or debenture holder.
- (xii) According to the information and explanations given to us and based on the documents and records produced to us, the Company has not granted loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- (xiii) The provisions of clause 4(xiii) of the Companies (Auditor's Report) Order, 2003 are not applicable to the company as the company is not a chit fund or a Nidhi/mutual benefit fund/society.
- (xiv) In our opinion, the Company has maintained proper records of the transactions and contracts in respect of investments in shares and units and timely entries have been made therein and the shares and units have been held by the company in its own name.
- (xv) To the best of our information the Company has not given any guarantee for loans taken by others from bank or financial institutions
- (xvi) To the best of our information and explanations given to us the term loans have been applied for the purpose for which the Company has obtained them.
- (xvii) According to the information and explanations given to us and on an overall examination of the books of accounts of the Company, we report that no funds raised on short-term basis have been used for long term investments.
- (xviii)The Company has not made preferential allotment of shares to parties and companies covered in the register maintained under section 301 of the Companies Act, 1956.
- (xix) The Company has not issued any debentures during the year.
- (xx) The Company has not raised any money by public issues during the year.
- (xxi) In our opinion and according to the information and explanations given to us, no material fraud on or by the Company has been noticed or reported during the course of our audit.

Notes to Financial Statements as at March 31, 2012

#### Background:

Focus industrial Resources Limited ('the Company') is registered as a Non-Banking Financial Company ('NBFC') AS defined under section 45-IA of the Reserve Bank of India Act, 1934. The company is principally engaged in lending and investing activities.

#### 2. Significant Accounting Policies:

#### A. Basic of preparation of Financial statements

The accompanying financial statements are prepared and presented under the historical cost convention on the accrual basis of accounting unless otherwise stated and comply with the accounting standard prescribed by the companies (accounting Standards) Rules, 2006 and the relevant provisions of the companies Act, 1956 to the extent applicable.

The company complies in all material respects, with the prudential norms relating to income recognition asset classification and provisioning for bad and doubtful debts and other matters, specified in the directions issued by the Reserve Bank of India in terms of Non-Banking Financial Companies Prudential Norms (Reserve Bank) Directions 2007 as applicable to it.

#### B. Use of estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

#### C. Revenue Recognition:

#### i) Interest Income:

Interest income is recognized as it accrues on a time proportion basis taking into account the amount outstanding and the rate applicable except in the case of non performing assets ('NPAs') where is recognized, upon realization.

#### ii) Dividend income:

Dividend income is recognized when the right to received payment is established.

#### iii) Income from investments:

Profit earned from sale of securities is recognized on trade date basis. The cost of securities is computed based on weighted average basis.

#### iv) Discount on investments:

The Difference between the acquisition cost and face value of debt instruments are recognized as interest income over the tenor of the instrument on straight line basis.

#### v) Loan processing fee income:

Loan processing fee income is recognized as and when it becomes due.

#### vi) Management fee income:

Management fee income toward support services is accounted as and when it becomes due on contractual terms with the parties.

#### D. Fixed assets

Fixed assets are stated at cost of acquisition less accumulated depreciation and impairment loss if any. Cost includes all expenses incidental to the acquisition of the fixed assets.

#### E. Depreciation:

Depreciation on straight method over the useful life of assets.

#### F. Impairment of Assets:

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired: if any such indication exists, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less that the carrying amount. The carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss if at the balance sheet date there is an indication that a previously assessed impairment loss no longer exits the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

#### G. investments:

Investments are classified as long term or current based on intention of the management at the time of purchase.

Current investments are valued scrip wise at cost or fair value whichever is lower.

#### H. Repossessed assets:

Assets repossessed against the settlement of loans are carried in the balance sheet at our standing loans amount or market value whichever is lower. The dirrerence between the outstanding loan amount and the market value is charged to statement of profit and loss in the year of repossession of assets.

#### L. Loan origination/acquit ion cost:

All direct cost incurred for the origination is amortized over the average tenure of the loan.

#### J. Security of loan given:

Housing loans/loans against property granted are secured by equitable registered mortgage of property and / or undertaking to create secured loans are secured against the hypothecation of respective assets.

#### K. Borrowing cost:

Borrowing cost: which are directly attributable to the acquisition/construction of fixed assets, till the time assets are ready for intended use, are capitalized as part of the cost of the assets? Other borrowing costs are recognized as expenses in the year in which they are incurred: Borrowing cost directly attributable to borrowing are expense over the tenure of the borrowing.

#### L. Earning Per Share:

The basic earning per shares is computed by dividing the net profit/loss attributable to the equity shareholder for the period by the weighted averave number of equity shares outstanding during the reported year. Diluted earning per share reflects the potential dilution that could occur if securities or other contract to issue equity shares were exercised or converted during the year. Diluted earning per share is computed by dividing the net profit after tax by weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

In computing dilutive earning per share, only potential equity shares that are dilutive and that reduce profit/increase loss per share are included.

#### M. Provision for Non-performing Asset (NPA) and Doubtful Debts:

NPA includes loans and advances receivable are identified as bad/doubtful bases on the duration of the delinquency. The duration is set at appropriate levels for each product. NPA provisions are made based on the management assessment of the degree of impairment and the level of provisioning meets the NBFC prudential norms prescribed by the Reserve Bank of India.

### N. Provision for standard assets:

Provisions for standard assets are made as per the reserve bank of India notification DNBS.PD.CC NO. 207/03.02.2002/2010-11 dated January 17, 2011.

## O. Taxation:

#### i) Current Tax:
