DIRECTORS' REPORT

TO THE MEMBERS

Your Directors present the 23rd Annual Report together with the Audited Statement of Accounts for the year ended 31st March, 2013.

Financial Result

		Rs. In Lacs
	2012-13	2011-12

Performance

Sales inclusive of export incentives have decreased over the previous year from 1521.04 lacs to 1000.02 lacs. The financial year 2012-13 shows a loss of Rs 23.50 lacs after providing for Rs.22.70 lacs towards depreciation.

The Company's performance declined mainly due to depressed European economic conditions. Even though the company achieved a turnover of 10 crores, due to increased labor and material costs and high inflation in India, the Company incurred operational losses with respect to the realizable value of Export Orders. Orders from our Customers from Spain and Italy, and other neighbouring countries have dried up. Our decade old buyers of UK have also decreased their buying. In view of the acute situation of mounting losses in the operations of the company, staff and labour has been reduced. Expenses on the participation in the Garda fair has also been curtailed. Options of shifting the factory to remote areas where cheaper labor may be available or to excise free Industrial Zones for production for the domestic market are being considered. However, the real estate investments of the company are doing well and further exposures are being planned in this area.

In view of the loss in the current year, the CMD of the company has forgone his performance incentive payment..
