REVIEW OF KEY BUSINESS MATTERS

Domestic economic conditions remain stressed. The global economy is struggling to effectively recover. A number of developed economies are in various degrees of recession, and growth in many developing countries is affected by its spill-over. This is impacting consumer sentiments and demand. Indian economic growth, decelerated to

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

about 5%, the weakest in a decade, facing challenges from unfavourable global and domestic factors and the slump has spread to both consumption and exports. The manufacturing sector continued a sharp decline in growth from 2.7% in 2011-12 to 1.9% in 2012-13. Industry faced unprecedented headwinds, with domestic demand across many sectors including consumer durables and capital goods remaining muted, a weakening currency, and high inflation and interest rates. Corporate earnings across a wide spectrum appear to be significantly affected.

In the circumstances, the Company's markets and its operations were subject to many severe challenges, as a result of which the profit performance, particularly in the last 3 quarters of the year under review, has been at its lowest since inception. The Company had to contend with cost increase across the board, including steep increases in power tariff (in some cases with retrospective effect). Sales from continuing businesses were lower at Rs. 252.62 Crores against Rs. 270.17 Crores last year and their gross profits fell to Rs. 3.60 Crores from Rs. 18.57 Crores. Performance is dealt with in greater detail in the Managements' Discussion & Analysis Report.

These conditions are however reasonably viewed by us as transient. The potential for the Company's end-markets continues to be robust and Management is confident of the competitiveness and quality of its product offerings. Shareholders can observe from these reports and accounts that the Company is nearing completion of significant investments – actually the largest in its history – to strengthen and expand its core operations through a prudent mix of its own liquidity and by leveraging its sound financial standing. All the new investments are expected to be on line in a few months and after a stabilization period, during which we expect the burden of the interest and depreciation to keep the bottom line under some pressure, the investments should be in a position to generate attractive returns under normal market and economic conditions, subject of course to relevant risks.

The strategic intent of the management is towards specialization in certain types of polymer films (including thin, dielectric and metalized films). The plants at Barjora and Pithampur concentrate on thin BOPP Films for special applications and the Company remains the only indigenous producer of such films. On the general product side, the Indian BOPP Films industry has a situation of significant over-supply resulting in about 52% capacity utilisation and obvious fierce competition and un-remunerative pricing. As a consequence Biax Division reported lower sales, volumes and deeply impacted financial results. The consumer durables industry, particularly refrigerators, (significant client base for Coex Division) had negative growth. The Company however was able to maintain marginally reduced volumes though value additions were lower. The Company has continuously taken measures to improve operations, trim overheads, control discretionary spend and strengthen liquidity.

Employees Stock Option ("ESOP") Schemes are implemented in accordance with SEBI Guidelines. Details of options granted and outstanding along with other particulars, as required, are annexed hereto.

STATUTORY AND OTHER MATTERS

Information as per the requirements of the Companies Act, 1956, our report on Corporate Governance and the Managements' Discussion & Analysis Report form a part of this Report and are annexed hereto. Section 217(2A) of the Act is not applicable there being no relevant employees during the year. As per General Circular No.2/2011 of February 8, 2011 issued by the Ministry of Corporate Affairs, the Board has consented by resolution not to attach balance sheets and other statements of subsidiary companies, Xpro Global Limited and Xpro Global Pte. Ltd., Singapore. Financial highlights in terms of the said notification are annexed. Shareholders of the holding company may obtain, upon request and free of cost, hard copies of annual accounts and related information of the subsidiaries. A copy of these Annual Accounts shall be kept open for inspection by shareholders at the Registered Office of the Company and of the subsidiary companies.

Relations with employees were generally cordial; we record our appreciation of contributions made by employees during the year.

The Company has received a notice pursuant to Section 257 of the Companies Act, 1956 from a Member, signifying his intention to propose at the ensuing Annual General Meeting, the appointment of Sri Ashok Kumar Jha as a Director of the Company and for that purpose, to move a resolution as mentioned in the notice. It is

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

considered that, as recommended by the Remuneration and Nomination Committee, it would be in the interest of the Company to appoint Sri Ashok Kumar Jha as an Independent Director of the Company. Smt. Madhushree Birla and Sri S. Ragothaman, Directors, retire by rotation and being eligible offer themselves for reappointment.

The Company, having regard to its size and scope, is generally compliant with relevant voluntary guidelines on Corporate Social Responsibility (CSR). The Board has also constituted a committee to mentor and monitor CSR activities. Small steps have been always taken by our plants for social and inclusive development in their local areas; however given their relatively small size and geographical spread it has not been practical to undertake directly any significant projects outside these. The Company has accordingly budgeted for and adopted a policy to support external bodies including relevant bodies, NGOs or Government Relief Funds selected by the Board, including through financial contribution to them, with greater participation in the areas of health and social welfare, efforts toward reducing child mortality, promotion of education & socially responsible behaviour, and employment enhancing vocational skills.

The CEO and CFO have certified as per requirements of Clause 49(V) of the Listing Agreement, which has been reviewed by the Audit Committee and taken on record by the Board. Having taken reasonable and bonafide care, pursuant to Section 217(2AA) of the Companies Act, 1956 the Directors indicate that (i) in the preparation of the annual accounts the applicable accounting standards had been followed along with proper explanations relating to material departures; (ii) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for the year; (iii) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; and (iv) the directors had prepared the annual accounts on a going concern basis.

AUDITORS' OBSERVATIONS

The observations of the Auditors are routine and in the nature of general disclosures.

AUDITORS

The Auditors M/s Deloitte, Haskins & Sells, Chartered Accountants, retire, and being eligible offer themselves for reappointment.

The Company had appointed M/s Sanghavi Randeria & Associates, Cost Accountants, Mumbai to audit the Cost Accounts of erstwhile Thermosets Division of the Company for Synthetic Resins for the year ended March 31, 2012 pursuant to Section 233B of the Act. The Cost Audit Report for the year ended March 31, 2012 due for filing by April 15, 2013 (extended due date due to technical issues in MCA-21 system) had been e-filed by that date.

ACKNOWLEDGEMENTS

We place on record our sincere appreciation of the valuable cooperation and support received at all times by the Company from all its Bankers, particularly the lead bank, State Bank of India, all concerned Government and other authorities and Shareholders.

REPORT OF THE DIRECTORS ON CORPORATE GOVERNANCE

The Board has adopted its corporate governance obligations under relevant regulations, listing agreement and laws as well as best practices relating thereto. The Board believes that good governance is voluntary and self-disciplining, with the strongest impetus coming from Directors and the management itself, and ultimately leads to enhancement of value for all stakeholders. The management and organization at Xpro India Limited aims to be progressive, competent and trustworthy, creating and enhancing value for stakeholders and customers, while reflecting and respecting the best of Indian values in conduct. The Board lays significant emphasis on integrity, transparency and accountability.

THE BOARD OF DIRECTORS

Composition

The Board presently consists of 8 Directors, of whom 4 are independent and a total of 7 are non-executive. At its strictest, current regulations require that at least 50% of the Directors should be independent; this criterion is met. As per SEBI Regulations an independent Director will be one who (a) does not have any material pecuniary relationships or transactions with the Company, its Promoters, Directors, Senior Management (this comprises all members of management one level below Executive Directors, including all functional heads) or its holding company, its subsidiaries and associates; (b) is not related to Promoters or persons occupying management positions at the Board level or at one level below the Board; (c) has not been an Executive of the Company in the immediately preceding 3 financial years; (d) is not a Partner or an Executive or was not a Partner or an Executive during the preceding 3 years of Statutory Audit or Internal Audit Firm associated with the Company and legal firm(s) and consulting firm(s) that have a material association with the company; (e) is not a material supplier, service provider or customer or a lessor or lessee of the Company; (f) is not a substantial shareholder of the Company i.e. owning 2% or more of the voting power; and (g) is not less than 21 years of age. Our Board has 4 independent Directors (i.e. 50%) viz. Sri Amitabha Guha, a Banker, Sri P. Murari (IAS retired, formerly Secretary to the Govt. of India), Sri Utsav Parekh (Merchant Banker) and Sri S. Ragothaman (company director, formerly senior officer at ICICI). Sri Haigreve Khaitan, Advocate, even though meeting the criteria for independence is a Partner at Khaitan & Co., Solicitors, who act for the Company from time to time; thus as a measure of prudence he has not been included in the calculation of independent directors for purposes of regulations. The proposed appointment of Sri Ashok Kumar Jha will increase the Board strength to 9 and the number of Independent Directors to 5.

Independent Directors play an important role in deliberations at the Board level, bring with them their extensive experience in various fields including banking, finance, law, administration and policy, and contribute significantly to Board committees. Their independent role vis-à-vis the Company implies that they have a distinct contribution to make by adding a broader perspective, by ensuring that the interests of all stakeholders are kept in acceptable balance and also in providing an objective view in any potential conflict of interest between stakeholders. The Chairman and non-executive directors review the functioning and effectiveness of the Board and the attendance record of directors every year. As a policy, and the Articles of the Company, the identities, positions, duties and responsibilities of the Chairman and Chief Executive Officer are kept separate and suitably defined. Accordingly the Chairman's position, even where whole-time, has been considered non-executive in nature as his role specified by the Board does not cover routine managerial tasks and responsibilities. The management of the Company is vested in executive director(s) appointed for the purpose, subject to the general supervision, control and direction of the Board. Sri C Bhaskar is the Managing Director & Chief Executive Officer accountable to the Board for actions and results and is the only executive director. Sri Sidharth Birla and Smt. Madhushree Birla represent promoters and are related to each other; none of the other Directors are related to each other or to promoters. Details of Directors are given below by category, attendance, directorships (public limited companies only) ("B"), membership and chairmanship ("C" & "Ch") of SEBI specified committees, sitting fees (including committees) and commission (if any) paid during the year, and shareholding in the Company on March 31, 2013.

As required by law, the appointment(s) and remuneration(s) of any executive director(s) and of the Chairman (if whole-time) requires the approval of shareholders; such approvals are for a period of not more than 5 years and, when eligible, they can be re-appointed at the end of the term. 1/3rd of the other Directors retire every year and, when eligible, qualify for re-appointment. Nominees of Financial Institutions (if any) do not usually retire by

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

rotation. The Board has chosen not to, in the usual course, propose appointment or re-appointment of a Director or Executive Director who has completed 80 & 65 years of age respectively. Specified details are provided in the notice for any Directors' appointment or re-appointment.

Sri Sidharth Birla & Sri C Bhaskar are employed by the Company; Sri Haigreave Khaitan is Partner of Khaitan & Co., to which legal and other fees etc., of Rs.1,01,202 was paid during the year.

Responsibilities

The Board's fundamental concentration is on strategic issues and approval, policy and control, and delegation of powers. The Board has specified a schedule of major matters (covering those required under law or regulations) that are reserved for its consideration and decision, besides review of corporate performance and reporting to shareholders. Respective roles of the Board and management are clearly demarcated. The management is required to (a) provide necessary inputs and basis to support the Board in its decision making and evaluation process in respect of the Company's strategy, policies, targets and code of conduct; (b) manage day-to-day affairs of the company to best achieve targets and goals approved by the Board; (c) implement all policies and the code of conduct, as approved by the Board; (d) provide timely, accurate, substantive and material information, including on all financial matters and exceptions, if any, to the Board and/or its committees; (e) be responsible for ensuring strict and faithful compliance of all applicable laws and regulations; and (f) implement sound, effective internal control systems and the Risk Management Procedure framed by the Board. The Board has laid down a general Code of Conduct for employees and adopted a Code of Conduct for Directors and Senior Executives. The Board requires the organization to endeavor to conduct business and develop relationships in a responsible, dignified and honest way and these codes aim to establish the policy framework. The Board has also laid down a Code of Conduct for Prevention of Insider Trading, administered by the Compliance Officer. Management of the organization and conduct of affairs of the Company lie with the Managing Director & Chief Executive Officer, who heads the management team. The President & Chief Operating Officer holds operational responsibility for day-to-day activities of the divisions under his charge. The Joint President & Chief Financial Officer, heads the finance function discharging the responsibilities entrusted to him under regulations and by the Board. They are collectively entrusted with ensuring that all management functions are carried out effectively and professionally.

BOARD MEETINGS AND COMMITTEES

Board meetings are normally held at Company offices, including at plants, and are typically scheduled well in advance. The Board meets at least once after the end of each quarter to, inter-alia, review all relevant matters and consider and approve quarterly financial results. The Board sometimes meets on an ad-hoc basis to receive presentations about and deliberate upon the strategic and operational plans of the management. Agenda for all meetings are prepared by the Secretary in consultation with the Chairman and papers are circulated to all directors in advance. Directors have access to the Secretary's support and all information of the Company and are free to suggest inclusion of any relevant matter in the Agenda. Senior officers are called to provide clarifications or presentations whenever required. To enable fuller and detailed attention to relevant matters, the Board from time to time delegates specified issues and matters to committees which report to it. However no matter which under

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

law or the Articles may not be delegated by the Board, or requires its explicit approval, is left to the final decision of any committee. During the year the Board met 4 times on April 26, July 25, October 31, 2012, & January 29, 2013.

Audit Committee

The terms of reference of the Audit committee, as specified by the Board in writing, includes the whole as specified in the Companies Act and in regulations, including review of audit procedures and techniques, financial reporting systems, internal control systems and procedures besides ensuring compliance with relevant regulatory guidelines. The committee members are all independent directors collectively having skills and requisite knowledge in finance, accounts and company law. The committee recommends the appointment of CFO, as and when required, external and cost auditors and their fees and payments and also takes an overview of the financial reporting process to ensure that the financial statements are correct, sufficient and credible. Any financial reports of the Company can be placed in the public domain only after review by the Audit committee. The reports of the statutory as well as internal auditors are regularly reviewed, along with comments and action-taken reports of management. The committee has explicit authority to investigate any matter within its terms of reference and has full access to the information, resources and external professional advice which it may require. The committee comprises Sri S. Ragothaman (as its Chairman), Sri Utsav Parekh and Sri P. Murari, and is mandated to meet at least four times in a year to assess the final audited accounts and to review each quarter the limited review reports before they are put up to the Board. The committee met 4 times during the year. The meeting on April 26, 2012 was attended by Sri S. Ragothaman and Sri P. Murari, that of July 25, 2012 by Sri S. Ragothaman and Sri Utsav Parekh while the meetings of October 22, 2012 and January 29, 2013 were attended by Sri P. Murari and Sri Utsav Parekh.

Remuneration & Nomination Committee

The Remuneration & Nomination Committee comprises of a majority of independent directors. XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

MANAGEMENTS' DISCUSSION & ANALYSIS REPORT

We have pleasure in submitting the Managements' Discussion & Analysis Report ("MDA") on the Company's businesses. We have attempted to include discussions on all specified matters, to the extent relevant or within limits that in our opinion are reasonably imposed by the Company's strategic and competitive position. The year under review was a difficult one with the world economy facing varying degrees of recessionary conditions. Uncertainty across the regions from the fiscal debate in the U.S., Chinese leadership transition and reforms in the Euro area continued to have a global impact. India also experienced difficult times during 2012-13. Industrial growth was tepid with economic growth decelerating to 5%, lowest in a decade, from 6.2% previous year. The downturn was aggravated by weakening domestic consumption and reduced exports. Consumer confidence remained low in the backdrop of an uncertain political situation, rising inflation, a weak currency, and a high interest rate regime.

In this scenario, the Company also had a depressed year. Total production was lower by about 5% at 19,490 MT (20,453 MT previous year) while sales at Rs.252.62 Crores were about 6% lower. Significantly, production costs were higher due to various factors including lower volumes, higher finance cost, hike in petro-products prices and the high overall inflation, etc. Sales realization were lower and in overall not adequate in neutralizing cost increases as, in depressed and competitive markets, the Company could not pass on the higher costs. Operations resulted in a Profit before Depreciation of Rs.360.10 lacs against Rs.1857.47 lacs (from continuing businesses – there was no discontinued business in the year) in the previous year. Depreciation was marginally lower at Rs.1080.05 lacs, and accordingly there was a loss before Tax of Rs.719.95 lacs.

Investments towards (a) creation of fresh capacity for manufacture of sophisticated dielectric films at Biax Division, Barjora and (b) relocation of Coex Division, Ranjangaon, activities to a new expanded factory continue on schedule and both facilities are expected to be on line well within the current year.

These results were achieved in the face of prevailing recessionary conditions, volatile input prices, depressed margins and a competitive environment, balanced by efforts towards cost control and productivity enhancements. We believe that all our businesses are backed by necessary skills and expertise; our core competency can be seen to lie in the extrusion field, particularly co-extrusion. Our financial performance is generally representative of competitiveness in core operations and high quality of our products and services.

Company and Industry Structure

Company operations are focused in our area of core competence viz. Polymers Business structured into 2 operating Divisions. Each operating division is kept self-sufficient managerially to perform its own duties and functions, with support provided at a corporate level as and when required. A summary of performance is given below.

POLYMERS BUSINESS (net of inter-unit adjustments)	2013		2012	
	Production MT	Sales Rs. Crores	Production MT	Sales Rs. Crores
Continuing businesses				
Biax Division	2,862	58.37	3,573	81.89
Coex Division	16,628	194.25	16,880	188.28
	19,490	252.62	20,453	270.17
Discontinued Business				
Thermosets Division (till August 18, 2011)	-	-	3,154	37.07
		252.62		307.24

The industry structure in the field of polymers processing is spread wide, from miniscule to fairly large capacities. There is usually no direct thumb-rule in terms of "size vs. profitability"; it is possible for players to work out their own viable economics depending upon various factors, mainly a combination of product mix and market segment or niche. Supply chain linkages to clients play an additional role for some. Since polymers are freely available at prices synchronized to global prices, market focus besides technical and service competence has been the key to success. It is fair to say that the Company is a mid-sized player with significant strengths in its market segments, but remains subject to usual market pressures. In the overall, the Company's operations are relatively capital intensive;

raw material and power constitute the largest proportions of direct costs. We believe that opportunities are substantial both in terms of market growth and product diversity and that threats from replacement products are not significant. The main raw materials used by the Company are Thermoplastic Resins (such as Polypropylene, Styrenic Polymers and LD/LLD Polyethylene, etc.).

We firmly recognize that total customer satisfaction is the key to our success. Our aim is to build sound customer relationships through creation of value for them, and in the process earn an equitable return for ourselves. Quality is built into products through appropriate manufacturing technology and work methods. Manufacturing at all units is carried out by suitably qualified personnel under strict quality standards. Continuous product development for specific applications and equipment up-gradation has helped us in proactively developing technically sustainable solutions with clear customer benefits. Quality Systems at all manufacturing units are certified under relevant ISO 9001:2008 standards.

Biax Division

Biax Division manufactures a range of coextruded Biaxially Oriented Polypropylene ("BOPP") Films and Dielectric Films on sophisticated, automated production lines, having multipurpose use in applications ranging from food packaging to specialized films for use in electronics, besides being used for print lamination, cigarette overwraps, adhesive tape etc. Per capita consumption of packaging products in the Asia-Pacific markets remains well below that of Japan, Europe and North America, signifying good potential. Flexible packaging in India has been developing and driven by increasing per capita consumption of flexible packaging in India in line with changing consumption patterns for packaged food & other convenience products and trends in retail. With BOPP films constituting a significant input into this space and with development of new applications, the oriented films market in India has exhibited rapid growth, significantly higher than the global growth rate. In this backdrop of strong past and anticipated growth, Indian BOPP industry continues to grow encouraging sizable investment by existing players and new entrants, notwithstanding the prevailing downturn. With fall in export markets, dull domestic consumption and creation of substantial capacity (presently under-utilized across industry) for packaging films, domestic markets for these remained highly competitive. Volatility in input prices, falling sales realization under competitive pressure, cheap imports and seasonal swings compound matters. Our focus however remains dedicated within our core strengths to special products and niche markets, largely thin films for specialized electrical applications, which together with consistent high quality and service standards enabled us to maintain reasonable capacity utilization. Several customers in sophisticated segments have upgraded their processes and equipment thus requiring upgraded film products. Our strategic intent for BOPP films remains directed towards thin and dielectric films and work on capacity expansion is progressing well on schedule, with key imported equipment under erection. Total production during the year was lower at 2,862 MT (against 3,573 MT last year) following subdued demand and higher stock level at customer end. Steep increases in power tariff (even with retrospective effect across earlier financial years) and fuel costs remain an additional cause for concern.

Coex Division

Coex Division manufactures coextruded sheets, thermoformed refrigerator liners and coextruded cast films. Our products are usually custom-made to customer needs and based on various polymers including Polystyrene, PP and PE. Applications for our product range are wide, including sheets for refrigerator liners, disposable containers, automotive parts, etc. Cast films are high clarity films including stretch wrap and cling, specially formulated films for medical disposables, hygiene films, and others for packaging. The difficult year experienced by the consumer durables segment (and particularly the refrigerator segment) in the previous year extended into a worse period during 2012-13. This set-back is seen as temporary and a return to normalcy is expected. We continue to be the leading supplier of sheets and liners to the white goods industry through consistent focus on product quality, development and superior service, which have also been recognized by major customers. In the cast films segment, our focus has been on special films and continuous innovation. Reflecting market circumstances and, in particular, our own standing, the total production of sheets, including as liners, (adjusted for inter-unit transfers) and cast films at this division at 16,628 MT during the year was only marginally lower than during the previous year (16,880 MT). In keeping with strategic direction to arrest the decline of viability at Faridabad, focus at this location was on production of only cast films pending other steps to evolve new solutions. Work on building for relocation of

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

facilities, including provision for expansion and growth, is progressing on schedule at Ranjangaon. Addition to sheet extrusion capacity to match planned growth in the refrigerator sector and equipment replacement is on the anvil.

OTHER MATTERS

Environment and Safety

We firmly believe that safe and healthy working conditions in factories and other premises are as necessary and important as production, productivity and quality. Our policy requires conduct of activities to take foremost account of health and safety of all concerned, besides conservation of natural resources and protection of the environment to the extent possible.

Human Resources

Employees represent our greatest asset and potential. It is only through motivated, creative and business-minded employees that we can achieve our aims. Involvement, commitment, teamwork and updating of skills and knowledge are integral to our objectives of advancing a professional, productive culture. There was no significant change in total manpower, with permanent employment at 356, of which officers and staff account for 209 and workmen for the balance (last year 355 and 205 respectively).

Others

There are no further or typical areas of risks or concerns outside the usual course of business foreseeable at this time. Our primary manufacturing processes (including extrusion) are well established and our focus remains on process and efficiency improvements, and product & application development to provide a competitive edge. Internal control systems have been found to be adequate and are continuously reviewed for improvements. Our team is committed to the Board's dictates on standards of conduct as well as good governance and exercise of due diligence. We have taken all care to comply with applicable laws and regulations. Overall financial performance is in line with and reflective of operational performance. The Company continues its initiatives towards operational improvements with a special emphasis on quality, control of overheads and broad-basing of markets, while focusing on managing uncertainties in a proactive manner. A normal monsoon, an upturn in global trade volumes, interest rate adjustment and progress on reforms are expected to boost consumer confidence and together with improvement in economic conditions and stability in foreign exchange rates could translate into better overall performance. However, the external environment for the time being remains challenging considering the prevailing uncertain economic and political conditions, a high current account deficit, and unresolved structural issues. In the overall our outlook continues to remain one of cautious optimism. Our sincere thanks are due to all employees and teammates whose dedicated and hard work allowed results to be achieved. We are grateful to all our Bankers and all concerned Authorities for their continued support, and to all our customers for their faith and confidence. We remain committed to fullest customer satisfaction.

CAUTIONARY STATEMENT

Statements in this Report which seek to describe the Company's objectives, projections, estimates, expectations or predictions may be considered to be "forward-looking statements" within the meaning of applicable securities laws or regulations. Actual results could differ materially from any expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand-supply conditions, finished goods prices, feedstock availability and prices, power tariffs, cyclical demand and pricing in the Company's markets, changes in Government regulations, tax and tariff regimes, economic policies and developments within India and countries with which the Company conducts business besides other factors including but not limited to natural events, litigation and labour negotiations.

A. CONSERVATION OF ENERGY :

- (a) Energy Conservation measures taken:
- Maintenance of near unity Power Factor; Installation of capacitors to improve PF
 - Use of natural lighting, wherever feasible
 - Replace conventional lamps with energy efficient lighting in several areas
 - Replaced reciprocating compressor with screw compressor with refrigerant dryer
 - Use of fan-less cooling tower
 - Use Energy efficient chiller system
 - Introduction of pad type air washer system in place of nozzle type to save water and power
 - Use of process cooling water in place of chilled water
- (b) Additional Investment and Proposals, if any, being implemented for reduction of consumption of energy:
- Solar energy sources / Energy efficient lamps for general lighting applications
 - Further Air washer, filter and spray system modification
 - Replace DC Motors and drives with AC Motors in some areas
- (c) Impact of measures at (a) and (b) above for reduction of energy consumption and consequent impact on the cost of production of goods:
- Financial impact not quantified
- (d) Total Energy Consumption and Energy:
- Consumption per Unit of production as per prescribed Form A.
- Annexure A not applicable to the Company's production units

B. TECHNOLOGY ABSORPTION :

1. RESEARCH & DEVELOPMENT

- (a) Specific areas in which R&D carried out by the Company:
- Development of films and coextruded sheets for specialized applications
 - Development of high temperature application dielectric films
 - Development of films for DC Capacitors
- (b) Benefit derived as a result of above R&D:
- Development of new products to expand range offering a competitive edge in the market
 - Improved product quality, cost reduction and customer satisfaction
- (c) Future Plan of action:
- Continuous process improvement to increase yield and reduce wastage
 - Continuous product development for specialized applications
 - Assimilation of skills connected with process technology and system & process engineering
 - Upgradation of select production and laboratory facilities
- (d) R&D Expenditure:
- Capital expenditure: Nil; Recurring expenditure:Rs.15 lacs; Percentage of turnover: neg.

2. TECHNOLOGY ABSORPTION, ADAPTATION & INNOVATION

- (a) Efforts in brief, made towards technology absorption, adaptation & innovation:
- Constant monitoring of process, technology and product upgradation taking place in advanced countries and to offer similar products through in-house R&D as well as through progressive manufacturing activities
 - Continuous improvements being made in quality control methods and testing facilities
 - Regular interaction with foreign equipment designers and manufacturers and major raw material suppliers for improvements in processing and operating parameters

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

- (b) Benefits derived as a result of the above efforts:
- Competitive advantage through ability to offer improved products to meet specialized market requirements
 - Improved work practices & productivity, cost reduction & enhanced quality
 - Import substitution
 - Improved work practices
 - Market expansion
- (c) Information regarding technology imported during last five years
- Technical Consultancy & Information for the manufacture of Electronic Capacitor Grade BOPP Films (Base and Metalized) and such knowledge fully assimilated and put into productive application at Pithampur plant

C. FOREIGN EXCHANGE EARNINGS & OUTGO

- (a) Activities relating to exports; initiative taken to increase exports; development of new export markets for products & services and export plans:
- Intensive efforts are continuing by entering new markets for the company's products
 - Appointment of agents in virgin markets

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF XPRO INDIA LIMITED**

Report on the Financial Statements

We have audited the accompanying financial statements of **XPRO India Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2013, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2013;
- (b) in the case of the Statement of Profit and Loss, of the loss of the Company for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government in terms of Section 227(4A) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- 2. As required by Section 227(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement comply with the Accounting Standards referred to in Section 211(3C) of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2013 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2013 from being appointed as a director in terms of Section 274(1)(g) of the Act.

ANNEXURE TO THE AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) Having regard to the nature of the Company's business, clauses (x), (xii), (xiii), (xiv) and (xix) of paragraph 4 of CARO are not applicable.
- (ii) In respect of its fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) The fixed assets disposed off during the year, in our opinion, do not constitute a substantial part of the fixed assets of the Company and such disposal has, in our opinion, not affected the going concern status of the Company.
- (iii) In respect of its inventory:
 - (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals.
 - (b) In our opinion and according to the information and explanation given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iv) In respect of loans, secured or unsecured, granted by the Company to companies, firms or other parties covered in the Register under Section 301 of the Companies Act, 1956, according to the information and explanations given to us:

- (a) The Company has granted loans aggregating Rs. 10,50,00,000 to a party during the year. At the year-end, the outstanding balances of such loans aggregated Rs. 4,00,00,000 from a party and the maximum amount involved during the year was Rs. 5,50,00,000 from a party.
- (b) The rate of interest of such loans is, in our opinion, *prima facie* not prejudicial to the interests of the Company. There are no other terms and conditions of such loans.
- (c) The Company is regular in repaying the principal amount, when demanded and have been regular in payment of interest.
- (d) There are no overdue amounts during the year and hence the question of taking reasonable steps for recovery of principal amount and interest does not arise.

The Company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the Register maintained under Section 301 of the Companies Act, 1956.

- (v) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal control system.
- (vi) In respect of contracts or arrangements entered in the Register maintained in pursuance of Section 301 of the Companies Act, 1956, to the best of our knowledge and belief and according to the information and explanations given to us:
 - (a) The particulars of contracts or arrangements referred to Section 301 that needed to be entered in the Register maintained under the said Section have been so entered.
 - (b) Where each of such transaction is in excess of Rs.5 lakhs in respect of any party, the transactions have been made at prices which are *prima facie* reasonable having regard to the prevailing market prices at the relevant time.
- (vii) According to the information and explanations given to us, the Company has not accepted any deposit from the public during the year. Accordingly, provisions of section 58A, 58AA or any other relevant provisions of the Companies Act, 1956 are not applicable.
- (viii) In our opinion, the internal audit functions carried out during the year by firms of Chartered Accountants appointed by the Management have been commensurate with the size of the Company and the nature of its business.
- (ix) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2011 prescribed by the Central Government under Section 209(1) (d) of the Companies Act, 1956 and are of the opinion that *prima facie* the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (x) According to the information and explanations given to us in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed dues, including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, sales Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess and other material statutory dues in arrears as at 31st March, 2013 for a period of more than six months from the date they became payable.
 - (c) Details of dues of Income-tax, Sales Tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty and Cess which have not been deposited as on 31st March, 2013 on account of disputes are given below:

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

Central Excise Act	Excise Duty	Commissioner of Central Excise Appeals, Kolkata	2004-07	21,46,779

- (xi) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks and financial institutions.
- (xii) According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions.
- (xiii) In our opinion and according to the information and explanations given to us, the term loans have been applied for the purposes for which they were obtained.
- (xiv) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet, we report that funds raised on short-term basis have not been used during the year for long-term investment.
- (xv) According to the information and explanations given to us, the Company has not made any preferential allotment of shares to parties and companies covered in the Register maintained under Section 301 of the Companies Act, 1956 at a price which is *prima facie* prejudicial to the interests of the Company.
- (xvi) During the year, the Company has not raised any money by way of public issue.
- (xvii) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

Notes to the Financial Statements

1. Company Overview:

Xpro India Limited ("the Company") is a public company incorporated as "Biax Films Limited" on November 26, 1997 under the Companies Act, 1956; the present name was adopted w.e.f. September 22, 1998. Equity shares of the Company are listed on Calcutta Stock Exchange and National Stock Exchange and are admitted for trading on Bombay Stock Exchange. Organized into operating divisions for operational convenience, the Company is engaged mainly in the business of Polymers Processing at multiple locations and is the leading manufacturer in India of Coextruded Plastic Sheets, Thermoformed Liners and Speciality Films (including Dielectric Films and special purpose BOPP Films).

2. Significant Accounting Policies

2.1 Basis of Preparation of Financial Statements

The financial statements have been prepared under historical cost convention in accordance with the generally accepted accounting principles, applicable Accounting Standards as prescribed under the Companies (Accounting Standards) Rules, 2006 and provisions of the Companies Act, 1956.

The Company follows the mercantile system of accounting and recognizes significant items of income and expenditure on accrual basis. Wherever it is not possible to determine the quantum of accrual with reasonable certainty, e.g. Insurance & other claims, refund of Customs Duty and export incentives these continue to be accounted for on settlement basis.

2.2 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates as are recognised in the periods in which the results are known / materialise.

2.3 Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation. Cost comprises of freight, duties, taxes, interest and other incidental expenses related to acquisition and installation.

2.4 Depreciation/Amortization

Depreciation is charged under Straight Line Method in accordance with the rates and manner specified in Schedule XIV to the Companies Act, 1956. Certain Plant & Machinery are considered as continuous process plants based on technical evaluation. Depreciation on addition/disposal is provided pro-rata with reference to days of addition/disposal. Leasehold lands and development expenses thereof are amortized over the period of lease. Software is amortized over a period of six years. Technical know-how fees are amortized over the life of the plant from the date of commencement of commercial production using such know-how.

2.5 Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

2.6 Investments

Long term Investments are stated at cost less provision for diminution in value other than temporary, if any.

2.7 Inventories

Inventories include stock-in-transit/bonded warehouses and with others for manufacturing / processing / replacement. Inventories are valued "at lower of cost and net realizable value". Cost is determined on the weighted average method. Finished goods and process stock include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

2.8 Revenue Recognition

- i. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- ii. Sale of goods: Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the customer (on despatch to the customer). Excise Duty deducted from turnover (gross) is the amount that is included

in the amount of turnover (gross) and not the entire amount of liability that arose during the year. Sales are reported net of sales tax.

- iii. Income from Services: Revenue (including sales commission) is recognized on accrual basis.
- iv. Interest: Time pro-rated revenue is recognized taking into account the amount outstanding and rate applicable.

2.9 Borrowing Cost

Borrowing cost relating to (i) funds borrowed for acquisition of qualifying fixed assets are capitalized till the date of commissioning and thereafter charged to Profit and Loss Account and (ii) funds borrowed for other purposes are charged to Profit and Loss Account.

2.10 Foreign Currency Transactions

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate prevailing at time of transaction. Monetary items denominated in foreign currencies and outstanding at the year-end are translated at year-end rates. Exchange differences arising on settlement of short-term monetary items at rates different from those at which they were initially recorded are recognized as income or as expenses in the year in which they arise.

The Company has opted for accounting the exchange differences arising on reporting of long term foreign currency monetary items in line with Companies (Accounting Standards) Amendment Rules 2009 relating to Accounting Standard 11 (AS-11) notified by Government of India on 31st March, 2009. Accordingly the effect of exchange differences on foreign currency loans of the Company is accounted by addition or deduction to the cost of the assets so far it relates to depreciable capital assets and in other cases accumulated in a "Foreign Currency Monetary Item Translation Difference Account" in the enterprise's financial statements and amortised over the balance period of such long term asset or liability, by the recognition as income or expense in each of such periods.

2.11 Research & Development

Revenue expenditure charged to Profit and Loss Account under respective heads of account and capital expenditure added to the cost of Fixed Assets in the year in which it is incurred.

2.12 Government Grants

Grants relating to Fixed Assets are shown as deduction from the gross value of the Fixed Assets and those of the nature of Project Capital Subsidy are credited to Capital Subsidy Reserves & other Government grants including export incentives are credited to Profit & Loss Account or deducted from the related expenses.

2.13 Employee benefits

Contributions to Provident Fund and Superannuation Fund, which are defined contribution schemes, are made to a government administered/approved Provident Fund(s) and an LIC administered fund respectively, and are charged to the Profit and Loss account as incurred. The Company has no further obligations beyond its monthly contributions to these funds. Provision for gratuity and compensated absence, under LIC administered fund(s), which are in the nature of defined benefit plans, are provided based on valuations, as at the balance sheet date, made by the administrators (LIC). Termination benefits are recognized as expense as and when incurred.

2.14 Taxation

Tax liability is estimated considering the provisions of the Income Tax Act, 1961. Deferred Tax is recognized subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

2.15 Employees Stock Option Plan

The accounting value of stock options representing the excess of the market price on the date of grant over the exercise price of the shares granted under "Employees' Stock Option Scheme" of the Company, is amortized as "Deferred employees compensation" on a straight-line basis over the vesting period in accordance with the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999.

2.16 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities, if any, are not recognized in the accounts but are disclosed by way of notes. Contingent assets are neither recognized nor disclosed in the financial statements.

Name of Subsidiary	% Shareholding	Country of Incorporation
a. Xpro Global Limited	100	India
b. Xpro Global Pte. Ltd.	100	Singapore

2. Principal of Consolidation:

The consolidated financial statements relate to Xpro India Limited ("the Company") and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book value of like terms of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses in accordance with Accounting Standard-21 – "Consolidated Financial Statements" issued by the Institute of Chartered Accountants of India.
- As far as possible, the Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's Separate Financial Statements.
- Investments made by the parent company in subsidiary companies subsequent to the holding - subsidiary relationship coming into existence are eliminated while preparing the consolidated financial statements.
- Intra group balances and intra group transactions are eliminated to the extent of share of the parent company in full.
- Unrealised profits on account of intra group transactions have been accounted for depending upon whether the transaction is an upstream or a downstream transaction.

3. Other Significant Accounting Policies:

These are same as set out in Note 2 ("Significant Accounting Policies") to the Financial Statements of the Company.

4. In view of insignificant/negligible transactions of the above named two subsidiary companies, notes involving material items are stated hereunder. These are to be read together with the Notes to the Financial Statements of the Company.

**INDEPENDENT AUDITORS' REPORT
TO THE BOARD OF DIRECTORS OF XPRO INDIA LIMITED**

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **XPRO INDIA LIMITED** (the "Company"), its subsidiaries and jointly controlled entities (the Company and its subsidiaries constitute "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2013, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Company's Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at 31st March, 2013;
- (b) in the case of the Consolidated Statement of Profit and Loss, of the loss of the Group for the year ended on that date; and
- (c) in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

Other Matter

We did not audit the financial statements of both the subsidiaries and, whose financial statements reflect total assets (net) of Rs. 77,13,041 as at 31st March, 2013, total revenues of Rs.30,87,925 and net cash flows amounting to Rs.6,35,051 for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the

XPRO INDIA LIMITED : ANNUAL REPORT 2012/13

Management and our opinion, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors.

Our report is not qualified in respect of this matter.
