NOTICE FOR ON-LINE XBRL UPLOADING OF LISTING COMPLIANCES

To All Listed Companies

In reference to the current system of submitting scanned copies of the listing documents for compliance, CSE faced various difficulties and accordingly to be at par with any other stock exchange having nation wide trading platform, CSE has decided to facilitate to it's listed companies, a new XBRL system of uploading documents on its web-site directly by the listed companies. This will not only help the listed companies, but also help CSE, for speedy disposal of compliance related matters. Listed companies are therefore, requested to compulsorily upload the compliances directly on the CSE portal starting from 5th April 2022. Till 29th April 2022, the existing system and XBRL uploading system will work parallelly. From 2nd May 2022 onwards, the compliances shall only be accepted in XBRL mode on the CSE portal. The link of CSE portal is:
