

## Asking for Quotation:

Please provide us the price quotation for the following servers with buy back price, delivery terms, payment terms and installation terms and schedule for the following servers:

Need budgetary quote for the following Items:

**1 HP Proliant DL380G10 Server** with 2 Xeon 8 Core CPUs, 64GB RAM, 2x1 TB SSD (For OS in RAID 0), Raid controller, 5x1TB SAS 10K RPM (15K Preferred) in separate RAID 5 for Data, Redundant PS, Redundant Fans, 3 years onsite warranty

**1 HP Proliant DL360G10 Server** with 1 Xeon 8 Core CPUs, 32GB RAM, 2x1 TB SSD (For OS in RAID 0), Redundant PS, Redundant Fans, 3 years onsite warranty

**1 HP Proliant DL160G10 Server** with 1 Xeon 8 Core CPUs, 32GB RAM, 2x1 TB SSD (in RAID 0), Redundant PS, Redundant Fans, 3 years onsite warranty

**1 Windows Server 2019 Std edition with 5 CAL**

**1 Windows Server 2019 Enterprise edition with 5 Cal**

**1 SQL Server 2019 Std edition with 5 User Cal**

**1 SQL Server 2019 Enterprise edition with 5 Cal**

Details of the replaceable servers to be bought back are as follows:

### **Proliant DL580G4:**

HP Proliant DL580G4 High Performance Model, 2\*Dual-Core 64 Bit Intel Xeon 7130M Processor 3.16 Ghz, 150 watts, 800 FSB Upgradeable to 4 CPUs, 8 MB Integrated Level3 cache (4x2 MB), 8 GB PC3200 Registered ECC SDRAM DDRII 400 Mhz, Upgradeable to 64 GB, 2\*Embedded NC371i Multifunction Gigabit NICs, HP Smart Array P400 BBWC Controller for RAID with 512 MB RAM Redundant Fan Kit, Redundant Hot Plug Power Supply, 8\*146 GB 3G SAS SFF Hot Plug SCSI Hard Disks 10000 RPM, Slimline DVD/CD-RW Drive 8x/24x, 36/72 GB External SCSI DAT Drive, 100% ROHS Compliant, HP SC11Xe Host Bus SCSI Adapter, Integrated Lights-Out 2 (iLO 2) Standard Management

### **HP Proliant DL360G5 Rack mounted Model:**

2\*Quad-Core Intel Xeon E5320 Processor 1.86 Ghz, 80 watts, 1066 FSB, 8 MB Level2 cache (4x2 MB), 4 GB PC5200 Fully Buffered RAM (DDRII 667 Mhz), Embedded NC373i Multifunction Gigabit Server Adapters, HP Smart Array P400i Controller for RAID level (0/1/1+0/5) with 256 MB RAM, Redundant Fan Kit, Redundant Hot Plug Power Supply, 3\*72 GB 3G SAS SFF Hot Plug SCSI Hard Disks 10000 RPM, Slimline DVD-ROM Drive (8/24X) Kit

Separate upgrade option price required to upgrade from normal 3/3/3 standard warranty to 6CTR warranty for one year and three consecutive years.

Please send the best price within 10<sup>th</sup> June 2022. The quotations to be mailed to [samikbhaduri@cse-india.com](mailto:samikbhaduri@cse-india.com)
